

About Us

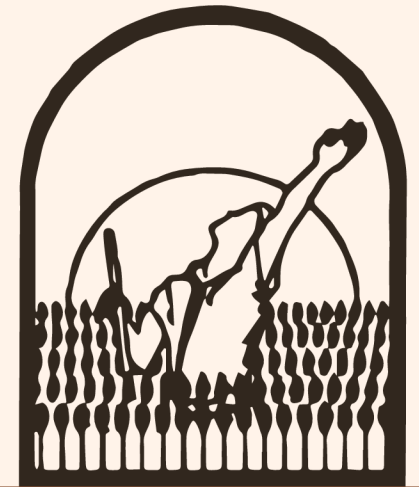

Founded in 1983, Christ Covenant Church is a nondenominational church body with this **mission statement**: To expand the rule of Christ on earth through discipleship, education, and service within the atmosphere of worship and community.

We thrive on the concept of being part of the body of Christ, with each of us having a distinct role to serve in as we walk out discipleship corporately.

“We are a church body that strives to walk in obedience to the Word of God. In community we worship, pray and walk together in discipleship, enabling believers to reach others for the Kingdom of God.”

Our Leadership

We are an elder led church, seeking to follow the New Testament model for churches laid out by the Apostles in the book of Acts and according to the criteria written in 1 Timothy and Titus.

Bible Study

Bible Study is held in the Fellowship Hall at 6:30 PM on the second and fourth Wednesday of each month. We'd love to see you there!

Children's Ministry

We value having a time of worship that includes the whole family honoring God together. After our worship time, during the message, there's a fun and meaningful program for your children. The children meet for songs, Bible stories, crafts, and games.

Our Services

Worship

We were designed and created to worship God (Rev 4:11). In doing so, we also minister to each other with psalms, hymns, and spiritual songs, in the manner freely expressed in the Book of Psalms.

Teaching

We believe that God's Word is living, active and has full authority in our lives, and is our spiritual daily bread.

Communion

We give thanks to God for the gift of his Son in accordance with 1 Corinthians chapter 11 concerning the Lord's Supper.

Baptism

We celebrate new believer's in their public confession of faith through water baptism in obedience to Matthew 28:19-20.

Prayer

1 Thessalonians 5:16-17

Prayer is a critical part of being a follower of Christ. Scripture teaches us to pray for all things, in all areas of our life. We incorporate prayer into every area of both our personal and corporate lives, wherever possible. As believers, it is our first action in an situation, and never a last resort. We invite you to participate in prayer with us during our services, and if you have either needs or thanksgiving to share, we would love to pray through those with you!
